Question regarding the grant of a Conveyance allowance to the Chairmen of the Bench Courts at Bangalore and mysore cities.

The proposal of the Dy. Kolar is to give Conveyance allowance to all Hon. Magistrates who have to attend Bench Courts from a distance of 5 miles and over. The proposal is objectionable and as a special case it has been allowed to the Chairmen of the two cities. This means to expenses to Govt. At present there is no source from which this can be met. If the proposals to be sanctioned, the L.C would have to be moved for an additional grant. No allowance is given to Chairmen of any other court but for orders

By 10/4/25 if competent men keep away on account of this difficulty and if the scheme is likely to become a failure on that account the provisions of the M.S.R may be made applicable to "Conveyance allowance granted for distances more than 5 miles" Whether the present case is one of that kind has to be considered before

The D.C. Bellary forwards the representation of Mr Venkatasamy gowda Hony Bench Magistrate of Sandur for Conveyance allowance for travelling from his village where is far away from the town. The D.C recommends such in case of Hony Bench magistrate who live more than 5 miles from the Court, may be given a fixed travelling allowance of Rs 15/- a month, in view of the fact that therefore it would be difficult to get competent men to accept the Bench. Mr Venkatasamy gowda cites the precedent of the Chairmen of the Benches Courts at Bangalore Negapore cities being paid Rs 30,- a month as Conveyance allowance.

The idea relating to the grant of Conveyance allowances to the chairmen of the Courts at Bangalore and Negapore are put up. 7/12/24. It may be seen therein that the proposal which was recommended by the Council has first related by His

4) From the discussions in the file Pl: 2, it may be seen that two different views were taken on this question. One view which was held by the Financial Secretary was that it was objectionable in principle to assist any persons who required or applied for such small favours as many Bench Magistrates. This view was concurred with by the Chairman.

5) The other view which was held by Mr. Karunaratna as member of Council was that the more we help them even though an allowance is given

6) It is hard no doubt to expect these Bench magistrates to travel to the Court house at their own expense. If this principle is accepted, each has, probably, to incur a large item of expenditure. If the recommendations of the D.C. of Kandy is accepted, representations will pour in from the other districts also. The question is, therefore, whether the Govt can afford to meet this expenditure

7) In order to tabulate the difficulty, it may be taken to be

8) It is usual to appoint as Bench Magistrates persons who are not residing at the H.Q. Quarters, who have some miles away from the H.Q.? Are there such cases in the Talukas? In the present case, are there others living far beside Venkatesamurthy living in Gauribidanur Bench Magistrates who are living in two places more than 50 miles from Gauribidanur? Was the fact of their living at such a distance from the H.Q. brought to the notice of Govt. when they were appointed as Magistrates? A note on the above points may be put up.

9) (In my opinion no one should be appointed as a Bench Magistrate who does not reside in the place where he court has to be held; and due to travel

(1) Usually persons who reside at the Taluk head quarters town are recommended for appointment. The D.M. Kolar says that for paucity of men in some of the Taluk Headquarters men living in rural areas have to be recommended. This was not brought to the notice of Govt. at the time of appointment of Magistrates. It is not known how many there are such men in the District of Kolar. Information would have to be called for. Order No. P 2121-8/c 6231-24-14
Dated Bangalore, 23d ~~Sept~~ Oct. 1925

From the lists received from the Dt.Magistrates it is seen that as many as 29 Bench Magistrates are living 5 miles and more away from the headquarters of the taluks where the Bench Courts are located. To give all these Magistrates a

fixed T.A. of Rs.15 per mensem as recommended by the District Magistrate, Kolar, involves heavy additional expenditure and the proposal cannot therefore be sanctioned.

2. Government consider that ordinarily only persons residing in the station where the Bench Court is situated or in such close proximity as to permit of their attending the court easily without expense or trouble should be selected for nominations as Magistrates. If a sufficient number of such persons is not available for the Bench, people residing at some distance from the court may be selected in rare and exceptional cases, on the understanding that no allowance will be claimed by them for the expenses of their journey to the court.

3. The District Magistrates are requested to see that the above instructions are borne in mind when recommendations are submitted by them to Govt. for appointment of Bench Magistrates.
